## Drinks Menu

## **We warmly welcome you into The Tolly, our 17th century quintessentially British Pub**

We took over "The Tolly" in 2015 with a dream, tonnes of ambition and a bucket-load of passion for everything hospitality. Our aim was to create the perfect pub, the place for every occasion, somewhere everyone felt at home and that place you called your local.

To this day, that is still our passion and we are so glad so many people have joined our big Tolly family. So come on in, pull up a stool and tell us your story!
